Wood for Winter Warmth

Since 2001 Northern Arizona Food Bank has been distributing firewood to those who otherwise would have no way to heat their homes during the harsh winter months. Since its inception Northern Arizona Food Bank has distributed over 3 million pounds of split firewood free of charge. People should not have to choose between food, medicine, and warmth!!!

NAFB strives to provide life's basic necessities.

We are accepting applications for firewood assistance. You must fill out the application and provide a photo ID, Proof of Income, and Proof of Residency. Applications will be reviewed and clients will be contacted to set up an appointment for pick up. Limit of 1 level truck bed load of firewood per household per month based on availability. We do not guarantee wood assistance.

We would like to thank Flagstaff Community Foundation, Arizona Community Foundation, and their collaborators for their generous financial support to continue this project.
